### What happens after the Training Adventure Weekend?

A Graduation Ceremony is held shortly after the Adventure Weekend. Family and friends are welcome and encouraged to attend. Soon after the graduation, an Integration Training will be offered that is designed to reinforce and deepen the rapid learning done on the Adventure Weekend. After graduation, New Warriors are invited to join the New Warrior Community, which meets weekly and many other times throughout the year, at local, regional and international levels to deepen their leadership skills, their connection to self and their connection to others.

### Enrollment Form

Please enroll me in the Mankind Project - BC New Warrior Training Adventure Weekend.
